**Atal Innovation Mission**

**Recruitment of Experts for Atal Innovation Mission (AIM) Including Self  
Employment and Talent Utilization (SETU)**

Government of India has established Atal Innovation Mission (AIM) including Self Employment and Talent Utilization (SETU) in NITI Aayog. The overarching purpose of this Mission is to augment the innovation and entrepreneurship ecosystem in India and find ultra-low cost solutions to India's intractable problems. The Mission is implementing establishment of 457 Atal Tinkering Labs at schools, setting up 10 Atal Incubation Centres and providing scale up of 6 Established Incubation Centres. These initiatives and other capacity building programmes will be pursued and expanded further.

NITI Aayog is hiring five (5 nos.) young dynamic professionals to work as **Experts** having experience in promoting innovation and entrepreneurship, scientific temper, creating awareness at the grass root level, managing programmes for establishment of incubation centres to support startup business in technology driven areas.
